Matthew 16:16

C
I was a boy
F C
Just nine years old
C/E F
I heard the call and came
G C
They buried me
F C
Beneath the water
C/E F G
Then I rose again

F G C G/B
Well you know my dad was a preacher man
AmG C/E F
I walked the aisle and I took his hand
F G C
He said, "Son just do the best you can
C/E F
And say the words

C G C
I believe He is the Christ
G F G F
Son of the living God
C
And through the years
F C
I barely fell
C/E F G F
I mostly dove right in
G C
And I drank so deep
F C
From the shallow well
C/E F G
Only to thirst again

F G C G/B

Well, I sang the hymns at the summer camp

Am G C/E F
Then I rocked and rolled with a lousy band

F G C
Till I heard a song that took my hand

C/E F
And led me home

G C G C
I believe He is the Christ

G F G F
Son of the living God

G C G C
I believe He is the Christ

G F
Son of the living God

F
All I know is I was blind

Am
But now I see

G
That though I kick and scream

C/E F G
Love is leading me

F
And every step of the way

Am
His grace is making me

G
With every breath I breathe

C/E F
He is saving me

G C G C G F G F
And I believe

F G C G/B
So when my body's weak and the day is long

Am G C/E F
When I feel my faith is all but gone

F G C
I'll remember when I sing this song

C/E F
That I believe

G C

I believe

G C

He is the Christ

G F G F

Son of the living God

G C

I believe

He is the Christ

Son of the living God
