D

I am tangled up in contradiction

Bm

I am strangled by my own two hands

G

I am hunted by the hounds of addiction

D A

Hosanna!

D

I have lied to everyone who trusts me

Bm

I have tried to fall when I could stand

G

I have only loved the ones who love me

D F#m

Hosanna!

D

O Hosanna!

Bm

See the long awaited king

G

Come to set his people free

D

We cry O Hosanna!

Bm

Come and tear the temple down

G

Raise it up on holy ground

D A

Hosanna!

D

I have struggled to remove this raiment

Bm

Tried to hide every shimmering strand

G

I contend with these ghosts and these hosts of bright angels

D A
Hosanna!
D
I have cursed the man that you have made me
Bm
I have nursed the beast that bays for my blood
G
Oh, I have run from the one who would save me
D F#m
Save me. Hosanna!

D
O Hosanna!
Bm
See the long awaited king
G
Come to set his people free

Bm
Come and tear the temple down
G
Raise it up on holy ground
D A F#m A
Hosanna! Hosanna! Hosanna! Hosanna!
G
And we cry for blood

D D/F# G
It is blood, it is life that you have given

D
You have crushed beneath your heel the vile serpent
Bm

G
You have torn apart the temple's holy curtain

You have beaten Death at Death's own game, Hosanna!

D

O Hosanna!

Hail the long awaited king

Come to set his people free

D

We cry O Hosanna!

Bm

Won't you tear this temple down

G

Raise it up on holy ground

I will lift my voice and sing

You have come and washed me clean
